“ I have foster kids. Imagination Library helps me build them a great collection to be able to send home with them when they leave!

“ We read books before bed, and starting out, my kids didn't like that because it meant they had to go to bed. Now they look forward to it because of reading.

“ The Imagination Library is the best thing any parent could have in life for their children.

“ Imagination Library allows us to access books living in a town without a library.

“ My 8-year-old has an AMAZING reading level thanks to you guys!
